**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:**

Store in a cool, dry, and out of the reach of children. Store in a secure, locked area, out of the reach of children. Store in a well-ventilated area.

**PESTICIDE DISPOSAL:**

Do not dispose of contents or unused product in drains, septic tanks, or other waterways. Dispose of this product in a manner prescribed by the local authorities or in a landfill.

**CONDITIONS OF SALE AND WARRANTY**

Conditions of sale and warranty are set forth in the user agreement and are subject to change. For more information, please contact the manufacturer. **BioForest Technologies Inc.**

**Manufactured by:**
BioForest Technologies Inc.
59 Industrial Park Crescent, Unit 1
Sault Ste. Marie, ON Canada P6B 5P3

**Net Contents:**
1 liter (1.06 quart)

**FIRE FIGHTING:**

- **Water**
- **Foam**
- **Carbon dioxide**
- **Dry chemical**

**Hazardous combustion product:**

Non-flammable.

**Precautionary Statements**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**Warning:** Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wash protective equipment such as goggles, face shields, or safety glasses. Harmful if swallowed or absorbed through skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco or the toilet. Keep and wash contaminated clothing before reuse.

**Personal Protective Equipment (PPE)**

- **Eye protection:** Goggles or face shield
- **Respiratory protection:** Respirator with P100 cartridge
- **Skin protection:** Gloves

**Deer Safety Recommendations**

- Wash hands before eating, drinking, chewing gum, or using tobacco.
- Remove clothing immediately if product gets inside, then wash thoroughly and put on clean clothing.

**Physical and Chemical Hazards**

- **Potential for toxicity:** Harmful to humans and domestic animals.
- **Potential for fire hazard:** Non-flammable.

**Non-Agricultural Use Requirements**

- **Label directions and instructions:** Always read and follow the label directions and instructions on the product.
- **Regulatory compliance:** Ensure that all state and federal regulations are followed.

**Important:** Before using Freedom, read the label carefully, as well as the instructions for the tree injection device used to inject Freedom. Follow all label directions and instructions, including the mixing and application instructions, to ensure the proper use of the product.

**Important:** Freedom is not to be used on trees that are in poor health or have visible signs of injury.

**Insecticides and Rodenticides:**

- **Insecticides:** Use Freedom as directed on the label to control tree borers.
- **Rodenticides:** Use Freedom to control tree borers.

**DIRECTIONS FOR USE**

- **Wearing of personal protective equipment:** Always wear the personal protective equipment recommended on the label.
- **Cleaning equipment:** Clean all equipment and containers thoroughly after use.

**Storage:**

- **Storage:** Store in a cool, dry, and secure place.
- **Expiration:** Freedom is effective for up to 12 months after opening.

**Disposal:**

- **Disposal:** Dispose of Freedom according to local regulations.
- **Waste treatment:** Do not dispose of Freedom in drains or sewers.

**Emergency Response:**

- **Emergency contact information:** Contact the manufacturer at 1-888-225-7328 for assistance.
- **First Aid:** If exposed to Freedom, wash the affected area with soap and water. If irritation persists, seek medical attention.

**Emergency Response Information:**

- **Emergency contact information:** Contact the manufacturer at 1-888-225-7328 for assistance.
- **First Aid:** If exposed to Freedom, wash the affected area with soap and water. If irritation persists, seek medical attention.

**Environmental Hazards:**

- **Environmental considerations:** Freedom is not to be used on trees that are in poor health or have visible signs of injury.

**Important:** Before using Freedom, read the label carefully, as well as the instructions for the tree injection device used to inject Freedom. Follow all label directions and instructions, including the mixing and application instructions, to ensure the proper use of the product.
